I am over the age of 18, am not under the influence of drugs or alcohol, am not pregnant or nursing and I desire to receive the indicated tattoo/permanent cosmetic procedure. The general nature of the tattoo/permanent makeup procedure to be performed has been explained to me.

I request permanent makeup/tattoo procedures (please circle all that apply):

- Eyebrows
- Upper Eyeliner
- Eyelash Enhancement
- Lip Color
- Beauty Mark

Understanding the permanent skin pigmentation procedure, the procedure, the permanency of the procedure, the possible consequences of the procedure, and that the procedure is for cosmetic purposes only, I hereby authorize Contour Permanent Makeup to perform the permanent skin pigmentation procedure(s).

I absolutely understand that this procedure is a process and subsequent visits are necessary in order to achieve desired results. Subsequent visits are subject to charge depending upon the amount of work needed. All procedures may require at least 1(one) follow-up session.

I have received Before Care procedure Instructions and After Care procedure Instructions, and I will follow all After Care instructions that my technician gives me. I understand that my failure to do so may jeopardize my chances for a successful procedure.

If I am on any medication for depression or any other mood-altering prescription, I will advise my technician.

If I have ever had cold sores, I will consult with and strictly follow my doctor's instructions before contemplating any permanent cosmetic procedure around my lips. If I have ever had a cold sore, I must be on an antiviral prior to my lip procedure.

I certify that I have read and initialed the above paragraphs and I fully understand the above consent and procedure permit, and I accept full responsibility for the decision to have this tattoo/permanent makeup work done, and/or any other complications which may arise or result during or following the cosmetic procedure(s) which is to be performed at my request according to this consent and procedure form.

I understand the **actual color of the tattoo/permanent makeup pigment may be modified slightly** due to the tone and color of my skin.

A yearly color refresher will keep the procedure area looking fresh and new.

I accept all responsibility for my procedures. If I move during the procedure, I am responsible for all mistakes, not the technician.

Using 'AHA' or any skin lightening or exfoliating product on or around my procedure area will compromise the procedure and I accept responsibility for fading and future color refreshers.

Before any permanent makeup/tattooing is provided, I was given the opportunity to approve the design that will become permanent. I am aware that the technician will not perform any procedure that WE ARE NOT in full agreement with the design of.

The work will be assembled with one-time-use accessories, a sterilized needle will be opened, the needle assembled into the device and the procedure begins.

Eyebrows will never be identical because of muscle, tissue, and bone formation of the forehead. The technician will make them as symmetrical as possible. I do not expect the technician to perform identical eyebrows.

I am aware that generally the technician does not go outside of the lip line with color. All applications are to make me look like I have natural beautiful lips and not like I am wearing heavy makeup. If there is any uneven pigmentation in my lips (blue, brown or darker spots), these darker areas will pull darker color and my lip color will look uneven. When I am warm, my lips will appear pinker and when I am cold, my lips will appear bluer.

I understand the actual color of the tattoo/permanent makeup pigment may be modified slightly due to the tone and color of my skin, body absorption of the tattoo/permanent makeup pigment, and other physiological individual reactions that might happen in my body. I fully understand this fact and accept this.

I am aware that the technician will not perform any procedure that WE ARE NOT in full agreement with the design of eyeliner, brows, lips, areola, or hair.

I am aware of Contour Permanent Makeup Policies:

Permanent makeup/tattoo is a THREE-appointment procedure: first appointment - in person consultation; second appointment - actual procedure; third appointment - touch-up procedure.

An approximate two-hour or longer block of time is reserved for your tattoo/permanent makeup procedure. A **non-refundable deposit of \$50.00** is required to secure actual procedure appointment. This deposit is required when a procedure appointment is booked. Deposit is applied toward balance.

No children or pets are allowed during the appointment.

Arrive 15 minutes prior to your appointment. A late arrival may require rescheduling your appointment, with respect to the clients that are scheduled after you.

24 Hour Cancellation/No-Show/Rescheduling Policy: Your appointments are especially important to us. Time allocated for an appointment is reserved especially for you. We ask that appointments be guaranteed against late cancellation or rescheduling with a credit card. We must cancel your appointment if you are 15 minutes late. If you miss an appointment without calling at least 24 hours in advance there will be charged \$50.00.

Forms of Payment: We accept cash, personal checks, Venmo, Visa and Master Card credit cards for payment. Prices are subject to change without notice. Please provide your credit card information when you make a consultation appointment.

If I cannot tolerate the procedure and the technician cannot finish the procedure, I will be charged a set-up fee for the procedure. This fee will be **\$100.00**.

Prior Tattoo/Permanent Makeup: If you have had tattoo/permanent makeup applied previously, the technician will not be responsible for color inconsistency, fading, or any other problem relating to the new procedure. Your procedure is NOT considered a touch-up for the new technician. We do not know what pigments were used, if your needles were properly disposed, if cross contamination occurred, or any other hazardous behavior was displayed. Full price fees will be charged for each procedure. **CLIENTS WHO HAVE HAD PERMANENT MAKEUP PERFORMED BY ANOTHER TECHNICIAN WILL BE CHARGED THE FULL PRICE OF A PROCEDURE.** There are reasons. It is always harder to correct someone's work than to do work on untouched skin.

If you ever have had a cold sore, you must take Zovirax, Valtrex, or other anti-viral pre and post procedure to prevent the outbreak of cold sores. If you do have an outbreak, it will usually occur on the 2nd-3rd day after application as well as after each color refresher. It is not technician responsibility if you have a cold sore outbreak after the tattoo/permanent makeup application, the treatment payment will not be refunded.

Follow-Up (Touch-Up) Procedures: The touch-up appointment is considered to be the second visit within our company for the same procedure only. If someone else did your tattoo/permanent makeup, you are not qualified for free follow-up until you have had an initial procedure done with Contour Permanent Makeup.

Any follow-up appointment that is scheduled longer than 8 (eight) weeks after your initial appointment is no longer considered a follow-up.

If you miss your touch-up appointment TWICE without 24 hours notice, your appointment is considered canceled. Additional appointment is \$200.00. Additional charge of \$50.00 will be applied according to our 24-Hour Cancellation/No-Show/Rescheduling Policy.

Color corrective procedure: Color will fade/soften up to 50% or more. The touch-up will enhance any area that has faded; healing is specific to each client. It is important to understand that you will need a color boost once a year to maintain its fresh natural appearance.

This establishment has a "No Refund Policy" and I am aware of this.

I accept Country Posh Beauty policies, terms, and conditions. I am honest with all my answers on my Medical Consent form.

Noncompliance with information in this Consent will compromise my results.

I have read and agree with all of the above issues. If I have any questions or concerns I will phone the office at 469-278-5058.
